

## BOY SCOUT TROOP 650 SAN ANTONIO TEXAS

Dear New Scouting Family,

We are both honored and excited that you chose to join Troop 650. My name is SHERRY CHARBONNEAU and I am the Troop Committee Chairman. I am responsible of the operations and administration of the Troop.

I would also like to introduce JAMES ROBERTSON, our Scoutmaster. He will guide your son through the exciting Boy Scout program on your Scout's adventure to the rank of Eagle Scout.

Whether you are an experienced Scouter or new to Boy Scouts, please do not hesitate to contact us if you have any questions regarding our Troop:

Sherry Charbonneau: 210-414-2255 James Robertson: 210-464-0888

We meet on Sunday afternoons from 2:00 to 4:00 pm at Concordia Lutheran Church. At his first meeting your son will be assigned to one of our patrols.

Our Troop schedule and communications are maintained on our Troop BAND app; both you and your son should become familiar with this site to "Be Prepared" for upcoming events. Every scout will need to have their own email address, separate from parent emails so both of you may receive important information.

Our Troop is a boy led Troop, which means that the Scouts plan and lead the program; and the adults help them by teaching and coaching them on the skills they need to be safe and successful.

We try to alternate our annual summer camp events from in-state to out-of-state. The summer camp for 2019 will be at Buffalo Trails Scout Ranch in the Buffalo Mountains of West Texas.

Our Troop is now Your Troop too! We look forward to your participation in the many opportunities that our program offers both Scouts and Adults. Our Troop Committee Meetings are the last Tuesday of each month and I invite you to attend at any time and let us know how you will help.

Thanks again for selecting our Troop! Happy Scouting!
